Dear Applicant,

You have been shortlisted for an online interview under **Panel [Check your email including SPAM folder]** for admission to the Dec-2026 PhD selection at the Department of Mathematics, Indian Institute of Technology Guwahati.

You are requested to refer to the **Department of Mathematics website for your allotted interview date and time slot.**

The interview will be conducted online through Microsoft Teams. Please use the meeting link provided below to join the interview.

Important Instructions

1. **Interview Schedule:** The interviews are scheduled for 25 and 26 November 2026. You are required to join the Microsoft Teams meeting at your allotted time and remain available online until you are called for the interview.
2. **Waiting Lobby:** Upon joining the meeting, you may be placed in the virtual waiting lobby. You will be admitted to the interview by the concerned panel when your turn arrives. Please remain connected and wait for admission.
3. **Possible Changes in Interview Timing:** The allotted interview time slots are indicative and may be subject to change due to unforeseen circumstances, including delays in preceding interviews. Accordingly, your interview may be conducted later than the scheduled time, including during a subsequent time slot. You are therefore requested to remain available and exercise patience.
4. **Technical Requirements:** You must arrange a computer or smartphone equipped with a functioning camera, microphone, and speaker, along with a stable internet connection. Installing the Microsoft Teams application in advance is recommended.
5. **During the Interview:** You should keep your camera switched on and your microphone enabled when instructed by the interview panel. Please keep blank paper and a pen readily available.
6. **Identity Verification:** You should join the meeting using your registered name and, wherever applicable, the email address provided in your application. You may be required to produce a valid photo identity document for verification.
7. **Technical Difficulties:** If you are unable to join or connect with the interview panel at your scheduled time due to technical difficulties, you must promptly inform the Department of Mathematics through the following contact details:

Email: mathoff@iitg.ac.in or dppcmath@iitg.ac.in

Phone: 0361-258-2650

Failure to join the interview at the scheduled time without promptly informing the department may result in the candidate being treated as absent from the interview.

Documents to Be Kept Ready:

You are requested to keep the following original documents and/or relevant supporting certificates readily available for verification during the interview, as applicable:

1. Date of Birth Certificate, if the date of birth is not mentioned in the Class X/XII Pass Certificate or Mark Sheet.

2. Caste/Category Certificate, if applicable.

3. Persons with Disabilities (PwD) Certificate, if applicable.

4. No Objection Certificate (NOC)/Sponsorship Certificate, as applicable, in the prescribed format for candidates applying under the Non-Regular Category.

5. Pass Certificates and complete Mark Sheets for all semesters/years of educational qualifications, from Class X onwards.

6. Certificate or documentary evidence supporting the conversion of Grade Point Average (GPA/CGPA) into percentage, wherever applicable.

7. Valid GATE/CEED/NET (JRF) Score Card, wherever applicable.

8. Certificates or supporting documents relating to professional experience, wherever applicable.

Candidates are advised to verify their interview schedule and ensure that all necessary arrangements are made well in advance.

Please note that the interview schedule is subject to operational requirements, and candidates are expected to remain available during the relevant interview period.

Regards,

Department of Mathematics
Indian Institute of Technology Guwahati
