LETTER OF INTENT FOR ACADEMIC COOPERATION

Between

**University of Pardubice
Faculty of Electrical Engineering and Informatics**

And

The Indian Institute of Technology Guwahati

This letter records the intention of the **University of Pardubice**, Faculty of Electrical Engineering and Informatics, Pardubice, Czech Republic, and the **Indian Institute of Technology Guwahati (IIT Guwahati)**, India, to promote academic cooperation between the two institutions in accordance with mutual interests for establishing a long-term mutually beneficial association. Both parties agree to exercise their best efforts to develop the following forms of cooperation:

1. Establish ties of friendship and cooperation.
2. Promote mutual understanding, academic collaboration, cultural and personnel exchanges.
3. Work towards more formal and specific agreements.

Details of the implementation of any particular collaborative agreement shall be negotiated between the two institutions as and when such a specific case arises. Such an agreement will be legitimized by the completion of a specific Memorandum of Agreement.

This letter of intent is subject to revision, renewal or cancellation by mutual consent and becomes effective for a period of 5 (five) years upon completion of signature.
