Notice  
30/10/19

Respected Sir,

**Sub: RBCDSAI Post-Doctoral and Post Baccalaureate Fellowship Programs.**

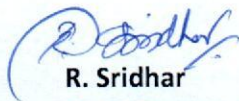

Greetings from Robert Bosch Centre for Data Science and Artificial Intelligence (RBCDSAI), Indian Institute of Technology Madras. RBCDSAI (<https://rbc-dsai.iitm.ac.in/>) was founded in August 2017, in IIT Madras with a vision to expand and further the research, education and outreach activities in the areas of **Data Science and Artificial Intelligence**, comprises 29 faculty from 8 different departments across the Institute who carry out research in various areas of Data Science and Artificial Intelligence.

The RBCDSAI at IITM is one of the few centers in the world for Data Science and AI applications in various engineering disciplines. This world-renowned Centre is offering **Post-Doctoral Fellowship, Post Baccalaureate Fellowship** (for **fresh Graduates** with exceptional academic record) Programs. The details in the Brochures enclosed.

We hereby request you to arrange to do the needful to disseminate this information by displaying the Brochures in the Notice Boards in the Computer Science, Electronics & Communication and any other department having students keen to perceive research in the areas of Artificial Intelligence and Data Science. The soft copies are available online.

Please do revert us for further clarifications and many thanks for your support.

Yours Sincerely,

**R. Sridhar**  
Chief Operating Officer
