

About the Workshop

The goal of this workshop would include in-depth talks on renewable and sustainable technology for the land and marine environments. A wide range of subjects including renewable energy sources, associated technologies, batteries, and hydrogen storage would be covered, in addition to project planning, execution, practical skills, and simulation models.

TIH Division IITG TIDF

TIH (Technology Innovation Hub) IITG is running various projects to develop technology for societal needs. Underwater exploration system for underwater monitoring and surveillance, intelligent tracking system for drone technology are a few to name.

Chief Patron:

Prof. Rajeev Ahuja

Officiating Director, IIT Guwahati

Convener:

Prof. Santosha K. Dwivedy

Project Director TIH, IITG TIDF

Coordinators:

Dr. Pranjal Barman, Dr. Pratiksha Sarma,

Dr. Pallab Sarmah, Dr. Aminul Islam,

& Dr. Sagar Bhattarai

Contact Nos: 8876437012, 9864717922

Benefits from the Workshop

- ✓ State of the art panel discussion
- ✓ Hands on training
- ✓ Industry specific knowledge
- ✓ Start up skill development
- ✓ Networking and collaboration

For Whom?

UG /PG /PhD /Post-doc /Faculty /Industry Professionals

Dates:

1st to 5th April, 2024

VENUE:

IIT Guwahati,
Research Building
(4th floor)

Registration Fees: 1500 INR
