

## Schedule of PhD Selections, December 2026 Session

The details of selection process are provided in the table below. The shortlisted candidates have to visit IIT Guwahati or participate online for selection process as per the modalities decided by the respective Department/Centre/School as indicated in the following table.

| Academic Division                                               | PhD Programmes                                              |                                              |                            |
|-----------------------------------------------------------------|-------------------------------------------------------------|----------------------------------------------|----------------------------|
|                                                                 | Written Test (Offline) for Non-GATE Candidates <sup>#</sup> | Selection Process                            | Schedule                   |
| Department of Biosciences and Bioengineering                    |                                                             | Interview (Offline)                          | 25-27 Nov 2026             |
| Department of Civil Engineering                                 | 01 Dec 2026                                                 | Interview (Offline)                          | 02 Dec 2026                |
| Department of Computer Science and Engineering                  | 03 Dec 2026                                                 | Written Test (Offline) + Interview (Offline) | 03 Dec 2026                |
| Department of Chemical Engineering                              | 25 Nov 2026                                                 | Interview (Offline)                          | 25-26 Nov 2026             |
| Department of Electronics and Electrical Engineering            | 25 Nov 2026                                                 | Interview (Offline)                          | 26-27 Nov 2026             |
| Department of Mechanical Engineering                            | 26 Nov 2026                                                 | Interview (Online)                           | 26-27 Nov 2026             |
| Department of Design                                            |                                                             | Interview (Offline)                          | 26-27 Nov 2026             |
| Department of Physics                                           |                                                             | Interview (Online)                           | 26-27 Nov 2026             |
| Department of Chemistry                                         |                                                             | Interview (Offline)                          | 26-27 Nov 2026             |
|                                                                 |                                                             | Special PhD (CSIR/UGC), Interview (Online)   | 25 Nov 2026                |
| Department of Mathematics                                       |                                                             | Interview (Online)                           | 25-26 Nov 2026             |
| Department of Humanities and Social Sciences                    |                                                             | Written Test (Offline) + Interview (Offline) | 01-02 Dec 2026             |
| School of Agro and Rural Technology                             | 25 Nov 2026                                                 | Interview (Offline)                          | 25-26 Nov 2026             |
| Jyoti and Bhupat Mehta School of Health Science and Technology  |                                                             | Interview (Online)                           | 27 Nov 2026                |
| School of Business                                              |                                                             | Interview (Online)                           | 01-02 Dec 2026             |
| Mehta Family School of Data Science and Artificial Intelligence |                                                             | Interview (Offline)                          | 26-27 Nov 2026             |
| School of Energy Science and Engineering                        | 25 Nov 2026                                                 | Interview (Offline)                          | 25-26 Nov 2026             |
| Center for Nanotechnology                                       | 01 Dec 2026                                                 | Interview (Offline)                          | 01-02 Dec 2026             |
| School of Interdisciplinary Studies and Sustainability (SiSAS)  | 30 Nov 2026                                                 | Interview (Offline)                          | 30 Nov 2026<br>01 Dec 2026 |
| Centre for Indian Knowledge Systems                             |                                                             | Interview (Offline)                          | 25 Nov 2026                |
| Center for Linguistic Science and Technology                    | 04 Dec 2026                                                 | Interview (Online)                           | 04-05 Dec 2026             |
| Manekshaw CoE for National Security Studies and Research        |                                                             | Interview (Online)                           | 25 Nov 2026                |

<sup>#</sup> Offline written test at IIT Guwahati campus for Institute Assistantship for PhD Applicants with MTech/ M.Des/ MS(R) qualification but without GATE/CEED (**IATMLA**). For details Click [IATMLA](#). Wherever dates for this test are not mentioned, the respective Academic Division will conduct written test for eligible candidates, if any, on the first day of the selection schedule.
