

Advanced Entrepreneurship and Skill Development Program (A-ESDP)

on

ENTREPRENEURSHIP PROMOTION IN THE AREAS OF BIOBASED PRODUCT INDUSTRIES.

18th Nov - 22th Nov, 2024

**Venue: Seminar Hall, GUIST,
Gauhati University**

FUNDED BY MSME

Organized by

**School of Energy Science and Engineering
IIT Guwahati**

**in collaboration with
Dept. of Bioengineering and Technology,
Gauhati University**

About the Program

With a growing emphasis on reducing dependence on fossil fuels and minimizing environmental impact, bio-based products offer a promising alternative. This E-SDP will cover various aspects of bio-based entrepreneurship, including market analysis, product development, and regulatory frameworks. Participants will have the opportunity to engage with industry experts, researchers and successful entrepreneurs who will share their insights and experiences. The program will not only facilitate networking among participants but also encourage collaboration between academia and industry, fostering a vibrant ecosystem for bio-based innovations. The aim is to inspire participants to develop viable business models that leverage renewable and widely available bio-resources. It is felt that such an initiative is crucial to align with the global Sustainable Development Goals (SDGs).

Possible Outcome

- Interest generation on various Bio processing technologies.
- Entrepreneurship and startup development in these areas
- Employment & revenue generation and aid to “Make in India” movement.
- Shaping ideas for entrepreneurship generation and developing marketing strategies
- Financial steps for converting dreams into reality through the presentation of successful case studies

Registration

There is no registration fee to attend the program. No TA/DA and accommodation will be provided for attending the program. Seats are limited to 35.

About MSME

The Ministry of Micro, Small and Medium Enterprises, a branch of the Government of India, is the apex executive body for the formulation and administration of rules, regulations, and laws relating to Micro, Small and Medium enterprises in India. The objective of all of their programme is to motivate young persons (Men and Women) representing different sections of the society including SC/ST women, physically handicapped, Ex- servicemen, and BPL persons to consider self-employment or entrepreneurship as one of the career options. The ultimate objective is to promote new enterprises, build capacity of existing MSMEs and inculcate entrepreneurial culture in the country.

About IIT Guwahati

Indian Institute of Technology Guwahati, the sixth member of the IIT fraternity, was established in 1994. The academic programme of IIT Guwahati commenced in 1995. At present the Institute has eleven departments, seven inter-disciplinary academic centres and five schools covering all the major engineering, science, healthcare, management and humanities disciplines, offering B.Tech., B.Des., M.A., M.Des., M.Tech., M.Sc., MBA and Ph.D. programmes. Within a short period of time, IIT Guwahati has been able to build up world class infrastructure for carrying out advanced research and has been equipped with state-of-the-art scientific and engineering instruments. Besides its laurels in teaching and research, IIT Guwahati has been able to fulfil the aspirations of people of the North East region to a great extent since its inception in 1994.

About Gauhati University

Gauhati University is one of the premier institutions of higher education in Northeast India. Incorporated by an Act of 1947, this university started functioning on 26 January, 1948 as an affiliating, teaching and residential university with renowned scholar K. K. Handique as the first Vice-Chancellor. It is a NAAC A+Grade institution with NIRF ranking within top 1.12% of all institutes for the past few years.

Starting with 18 affiliated colleges and 8 Post Graduate Departments in 1948, Gauhati University, today, has 49 Post Graduate Departments, besides IDOL (Institute of Distance and Open Learning), GUIST (Gauhati University Institute of Science and Technology) and a constituent Law College. It has more than 300 affiliated colleges offering undergraduate and post graduate courses in the faculties of Arts, Science, Commerce, Law, Technology and Engineering. It is highly diversified in academics offering more than 210 courses. It also caters to wide spectrum of social and economic strata.

Being the oldest and the largest university in the entire Northeast, the university represents the academic and cultural background of the region. The alumni of this university have been able to make their mark not only within the state but at the national and international level as well. Many have been able to adorn the higher echelons of the nation's scientific, socio-cultural, administrative and political life.
