

I am elated to share that I have bagged the silver medal in the 12 weeks course of Political Science titled 'Introduction to Western Political Thought'. This course was organized by @IITGuwahati & @nptel_official. I would like to dedicate this certificate to @Manchali_Purba .

Greetings of the day sir. I am Dr. Sridarshini, Assistant Professor in the Department of Electronics and Communication Engineering, Anna University, Chennai. I have done my Ph.D in Photonic Crystals in 2019.

I was going through the NPTEL course on Photonic Crystal : Fundamentals and Applications. The course was too good to enrich the knowledge on Photonic Crystals. Thank You for bringing up this course sir.
