

# SANDVIC COMPONENTS

## Opto-Mechanical & Research Equipments

Our company has witnessed splendiferous growth since the year of inception i.e. 1990. The honorable Proprietor Mr. M. B. Khan has also helped in the fast and steady growth of the company via his profound knowledge in the concerned field. The company is also recognized amongst the trustworthy Opto-mechanical components manufacturers and scientific instruments suppliers in Delhi. We have also gained specialization in the dealing of custom made works.

We offer exhaustive range of Opto-mechanical lab equipment with their exceptional quality. Our product ranges are broadly categorized into four main sections. Under each of them, we have plethora of products that are both useful and cost-effective.

# SANDVIC COMPONENTS

## Opto-mechanics Components

- ❖ **Vibration Isolation System**
- ❖ **Honey Comb Breadboard**
- ❖ **Mirror Mounts**
- ❖ **Lens Mounts**
- ❖ **Beam Splitter Mount**
- ❖ **Lab Jack**
- ❖ **Gimbal Mounts**
- ❖ **Translation Stages**
- ❖ **Motorized Stages**
- ❖ **Piezo Translation Stages**
- ❖ **Laser Mounts**
- ❖ **Custom Made Components**

# SANDVIC COMPONENTS

## Optical / Laser Components

### Optical Components

- ❖ All Type Of Lens
- ❖ All Type of Mirror
- ❖ All Type Of Window
- ❖ Beam Splitter
- ❖ Filters
- ❖ Diffusers

### Lasers

- ❖ He-Ne Laser (Red , Yellow and blue)
- ❖ Low Power Diode Lasers
- ❖ High Power Diode Lasers
- ❖ Fiber Lasers
- ❖ Nd.Yag lasers
- ❖ Custom Made Components

Auto-Leveling Vibration Isolation Systems

Honeycomb Breadboard with Rigid Support Frame

Gimbals' Mirror Mounts

Fast-Steering Piezo Mounts

XYZ Translation Stages

Mirror Mounts
