

## **Gandhi Fellowship**

**Mr. Satyam Raj**, an M. Tech final year student of the School of Agro & Rural Technology, has been selected for the prestigious ‘Gandhi Fellowship’, a flagship Program of Piramal School of Leadership. A comprehensive Learning Program engaged in transforming the education ecosystem in government institutions of multiple states in India. It is amongst the most aspired fellowship programs in the country, keeping in view the dynamic educational curriculum and learning opportunity that it provides. Gandhi Fellowship is an experiential 2-year residential fellowship course in transformation leadership. Mr. Raj is carrying out his M. Tech project under the supervision of Dr. Sudip Mitra, Associate Professor, SART.
