Join us to make an impact with  
your ideas!  
**Learn, ideate, and demonstrate -  
bring your data science and AI  
dreams into reality!**

## Highlights

- Multi-disciplinary Faculty pool
- State-of-art research and compute facility
- Impactful and unique R&D topics, in data science and AI
- Enriching course curriculum, in a vibrant campus with 9000+ students
- Residential campus, fellowships, academic travel support, and provisions for International collaborations

Established in 2021 in the beautiful campus of IIT Guwahati, the Mehta Family School of Data Science and AI adopts an interdisciplinary approach towards imparting education and pursuing R&D in cutting-edge areas of data science and AI. The School offers the following UG and PG degree programs.

BTech in Data Science & AI

BSc (Hons) in Data Science & AI

MTech in Data Science  
(jointly with Depts. Maths and EEE)

PhD

We are here to understand, build and share intelligence. Come join us in this exploration!

## Eligibility

- A 4-year/5-year Bachelor's or Master's degree in a relevant discipline with a minimum CPI of 6.0 (or 60% marks); relaxed by 0.5 CPI (or 5% marks) for SC/ST/PwD candidates. For more information refer: <https://iitg.ac.in/acad/admission/doctoral/studentship.php>
- Degree Requirement: The degree must be from a recognized university or an Institute of National Importance, requiring at least 4 years of study after Class 12.
