Course Objectives

- To gain insight into the significance of research publication in academia and its impact on knowledge dissemination, career advancement and institutional recognition.
- To develop a strong understanding of ethical principles and guidelines governing research publication, including integrity, transparency, authorship and conflict of interest.
- To acquire essential skills for crafting clear, concise and compelling research manuscripts, including structuring content, writing style and effective communication strategies.
- To get familiar with the publication process, from selecting appropriate journals to managing peer review comments and revising manuscripts for publication.

Course Outcomes

The learner will get to know

- **Strategies to ensure research integrity, including proper data management, avoiding plagiarism and adhering to ethical standards throughout the research lifecycle.**
- **Develop the ability to identify and address common ethical dilemmas in research publication, such as authorship disputes, conflicts of interest and ethical considerations in data sharing.**
- **Explore methods for increasing the visibility and impact of research outputs, including strategies for dissemination, engagement with stakeholders and understanding metrics for evaluating research impact.**
- **Foster networking opportunities with peers and experts in the field to build collaborations, share experiences and promote a culture of ethical research conduct within academic communities.**

Activities

Assignments will be of the following type:
a.   MCQ based questionnaire (Google Quiz) & Written Assignments (Google Classroom).
b.   At the end of the course "Project" will be assigned to the participants.

About the Institute

JIS Group Educational Initiatives - the largest educational conglomerate of Eastern India with 37 Institutions, 170 programmes and 39,000 students began its journey 24 years back. The journey, though not easy, has been quite a successful one. JIS University was established through the Legislative Act of the Government of West Bengal, viz. JIS University Act, 2014 (West Bengal Act XXII of 2014) that came into force in February, 2015.

The University has a mission to be one of the top class universities in India and a preferred destination for students, research scholars and faculty members alike. Students aspiring to study in JIS University can be assured of quality education

How to Apply

Online – The participants may log on to the E&ICT Academy, IIT Guwahati website: https://eict.iitg.ac.in/index_course_category?cate=MTFrWERlbEZlQ3Btb2hURGZVSWZEZz09 and fill up the google doc application form by Clicking here
