Event Description

1. An on-spot competitive coding competition will be organized, in which each hostel can send 1 team of 2 members.
2. The competition will be a 3-hour long competition.
3. The venue for the contest will be CC, so the participants are not allowed to bring their own laptops for the contest.
4. The contest will be held on Hackerrank platform, so you may get acquainted with the platform before joining the contest.
5. The participants are not allowed to give the contest in their hostel rooms.
6. The format of the contest and further instructions would be provided one hour before the start of the contest.

12 Hostels, 7 Days, 1 Title!
