# Electronics Hackathon

KRITI Points – 400

Event Date – 26/10/2019

Venue – Exhibition Hall, New Sac

Time – 13:00-20:00

Sri Harsha Vadathya  
Secretary  
918293812

## **Problem Statement**

The participants will be given a Digital Electronics System which they have to build from scratch. The problem will be the same for all the teams.

## **Judging Criteria**

1. Teams can submit their solution any number of times till 19:00. After 19:00, teams will have one chance to submit their current design in an order decided by picking chits before the start of the event.
2. The maximum score out of these submissions will be taken and the corresponding time will be noted.
3. The system will be divided into four or five definite parts. Teams will get points for completing each part. This distribution will be informed at the start of the event.
4. All the parts may not be independent of each other.
5. In the 12:00-19:00 slot, in case of a tie in points, the team which has submitted the solution earlier will get more points.
6. In case there is a tie in the 19:00-20:00 slot, all the teams involved will be given the same position.

## **Team Structure**

1. Each Hostel can send only one team consisting of maximum 4 members.
2. Each Team must consist of a minimum of 2 first year students. No Third and Fourth Year students are allowed in the team.
3. Hostels which fail to fulfil any of the above mentioned conditions will directly be disqualified and no participation points would be awarded.

For any Queries related to problem statement, feel free to contact:

- Devashish Taneja (E-mail: devas170102026, Cell: 9654404275)
- Utkarsh Jaiswal (E-mail: utkar170102066, Cell: 9565595642)

**IN CASE OF ANY DISCREPANCY, THE DECISION OF THE  
ORGANISING TEAM MEMBER WOULD BE FINAL AND BINDING ON  
ALL THE HOSTELS.**
