

HSS Seminar Series Talk

Assam in the Grip of a 'Slow Disaster': Narratives from Majuli River Island

Speaker: Mitul Baruah
Ashoka University

Mitul Baruah is an Associate Professor of Sociology and Anthropology, and Environmental Studies at Ashoka University. He is an interdisciplinary scholar who has straddled the fields of geography, environmental studies, social work, and history, besides spending several years with an environmental NGO, working on the restoration of degraded commons. Currently, he is finishing a documentary film based in Majuli.
