Passionate, hard-working, ambitious, and internationally minded, I always give it my all to bring a positivity in every atmosphere and deliver results in any position.

I am currently a 1<sup>st</sup> semester Development Studies student at IIT, Guwahati, specialised in the fields of Economics Core and Analysis. I am particularly looking to add value and develop myself in the Economics and Sustainable development studies, yet am also very curious to discover other key areas, such as investment, banking and policy making.
