PROJECTS

WORKING AS A CSR INTERN AT STEEL AUTHORITY OF INDIA LIMITED, DURGAPUR STEEL PLANT (May 2024- July 2024), cultivated partnerships across diverse sectors to drive societal progress, prioritizing healthcare, education accessibility, and environmental preservation. By forging collaborations with various organizations, aimed to amplify impact and address pressing challenges. Fostered tangible advancements in medical well-being, education equity, and environment sustainability.

WORKED AS A CSR INTERN AT EJUNCTION(December 2023), the most trusted B2b e-Marketplace in India promoted by mjunction services limited, with over two decades of operation, promoted jointly by SAIL and Tata Steel on numerous initiatives such as Project Jyoti and Project Education to provide basic education to the underprivileged and carried out an evaluation on the projects.

WORKED AS A RESEARCH INTERN AT SURUD IN MAPPING POLICIES RELATED TO ADOLESCENTS AND SPORTS IN INDIA (March 2024) Surud is an organization dedicated to eradicating gender-based violence through sports. Operating at the grassroots level in Jharkhand.

CAMPAIGN AGAINST CHILD SEXUAL ABUSE- THE RAHI FIREBIRD PROJECT (RAHI FOUNDATION) (March 2022) -The campaign aims to prevent sexual violence against children by raising awareness through the organization of freeze mobs and distribution of pamphlets.

CREATING CONTENT FOR WRITER'S KALAM- THE HOLISTIC PINE, an online and print independently published lifestyle journal published by Writers' Kalam Publishing, aims to bring together fun reading and serious research and create a space where the reader can receive both—a journal that is dedicated to outstanding research while also being entertaining to read.

WORKED WITH ANANDAMELA CHARITABLE SOCIETY (May 2023) an NGO advocating for every child's right to a happy childhood and functions as a donation platform to provide channels and resources to the underprivileged throughout India.

STATISTICAL SURVEY REPORT TO ASSESS PATIENT SATISFACTION WITH THE DSP MAIN HOSPITAL PERFORMANCE: DURGAPUR- 713205(December 2020) -determining how satisfied patients are with the hospital's performance and which services require improvement by developing a questionnaire to assess the hospital environment, doctor care, nursing care, aftercare, and staff behavior, in-house patients, emergency and outpatient department.
