

Mid-Semester Examination (Jan-May 2022) HSS Invigilation Schedule

\*Please note\* All examination rooms have a faculty member assigned. Therefore, in some exam slots (especially B.Tech), if a room is manned only by a research student, it would mean the said room is already under supervision of another HSS faculty member at the same time for another exam that day (listed in this schedule) with whom you can coordinate to hand over question papers and such. Forenoon (9-12 am) Afternoon (2-5 PM)
