

Summary of Course Evaluation/Feedback

Name of the Instructor/Tutor	Prof. Mohammad Qureshi
Academic Period	(JULY - NOV) 2019
Course Code and Course Name	CH437 & Nano Scale Science and Technology
No of students registered : 16	No of students submitted course : 15

		Average*
About the Instructor :		
1.	Overall, the teaching by the instructor was excellent	4.67
2.	The concepts were explained with clarity	4.60
3.	Questions and discussions were encouraged.	4.67
4.	Allotted number of classes was held	4.67
5.	Evaluation was done regularly and feedback was given.	4.73
About the Course:		
1	The course was highly enjoyable.	4.53
2	The content of the course was appropriate.	4.67
3	Text/Reference materials were appropriate for the course.	4.33

* Average among the all the submitted students

About the Course Instructor	
	Strong Points
He is a great Teacher.	
Brilliant teacher! Loved all his classes	
Enjoyed the way of teaching and the fun filled jokes he used to crack. Encourages questions.	
Great teacher and easily conveys concepts.	
Best chemistry professor of IIT G. Made complicated concepts extremely easy to learn. Topics elaborately taught in a very detailed manner.	
	Weak Points
Amount of content covered for a class is very high and Sir should teach a little slower or hold some revision classes.	

About the Course Tutor	
	Strong Points
	Weak Points

About the Course TA

Summary of Course Evaluation/Feedback

Weak Points

About the Course

Strong Points

Excellent topic or course.

Interesting and relavent

A wonderful course. Covered all major topics of importance in nano science.

Weak Points

Any Other Suggetions

Excellent topic or course
