# <u>Item No. 04</u>

#### Agenda submission by senators

# 04/10/05/24

1. Agenda: Implementation of an Online Platform for Renewal of Library-Issued Books Proposer: Veeranki Devi Sai Sri, Girls Senator

Description: Many students within our college face challenges in renewing library-issued books after the initial 45-day borrowing period. This inconvenience often leads to overdue fines and difficulties in accessing essential study materials, especially during mid-term examinations and vacations. To address this issue and enhance student convenience, the introduction of an online platform for book renewal is proposed.

Consensus: The Senate approved the proposal.

Action: Details to be submitted in the next senate meeting.

# 2. Agenda: Fostering a Vibrant Hostel Culture through Interactive Sessions in Girls Hostels Proposer: Veeranki Devi Sai Sri, Girls Senator

Description: To increase the interaction between senior and junior years. Following initiatives have been proposed:

- Assigning a mentor who is one year senior to 5 juniors and room allocation should be done in such a way that the senior's room is nearer to those 5 juniors. This kind of system is being implemented in IIT Kanpur.
- The students will be asked to interact with 5 set of people every two weeks and to ensure that they are doing this practice, we will be floating a form where the students are asked to fill about the details of the people they have met in those two weeks. We will also allot them 2 hours of COS hours or SA or NSO hours.

Consensus: The Senate appreciated the first initiative and also suggested that in the second initiative it will somehow lead the students to get indulged in short routes to fill the form. The senate brought up the topic of less participation of bachelor girls in extra-curriculars. It was also discussed that a subcommittee will be formed with all three girls senators and GS HAB being its members to research on the participation of bachelor girls in extra-curriculars.

Action: A subcommittee has been formed with all three girls senators and GS HAB being its members to research on the least participation of bachelors girls in extra-curriculars.

# 3. Agenda: Appointment of Associate Placement Coordinator (APC) for HSS department

Proposer: Om Samadhan Hande, PG Senator

Description: There is no associate placement coordinator is from HSS department. It is very difficult for a PC or APC who is not from HSS department to understand HSS student's problems.

Consensus: The senate approved the proposal and also suggested that there should be one associate placement coordinator from design and MBA programs also. GS SAB proposed a phased approach, suggesting the appointment of an associate placement coordinator in the first year and a possibility of a placement coordinator in the second year can be looked upon later.

Action: Senate asked for the details to be provided and work with the existing PCs for the same.

# 4. Agenda: Medical Reimbursement within 2 months

Proposer: Om Samadhan Hande, PG Senator

Description: Currently the medical reimbursement is done in 4 months which is a very long period. The stipend of PG students is very low and reimbursement of medical fees in 2 months can indeed help them a lot.

Consensus: The senate discussed the issue and asked the proposer to research more on this issue.

#### 5. Agenda: Drinking and washroom facilities near main gate

Proposer: Abhijeet, PG Senator

Description: As most people will be waiting near main gate, there is a need for this facility near main gate.

Consensus: The senate concluded that GS welfare is already working on these facilities near main and KV gates during welcome onboard initiative.

# 6. Agenda: Introduction of Centralized Placement Portal

Proposer: Abhijeet, PG Senator

Description: There is a need for Centralized Placement Portal, with all the details and facilities required by the students and companies.

Consensus: Senate concluded that Centralized Placement Portal already exists and to discuss any issue related to placement portal, there should be representation of CCD and SWC in the senate meeting.

#### 7. Agenda: Proposal of Summer Research Internship Program (SRIP) for PG students.

Proposer: Amlan Jyoti Gogoi, PG Senator

Description: In many departments, the students who are interested in doing research internship cannot apply for it directly. They need to mail the professor and get the approval. Also, the students are not provided with stipend during this period if they are going for the internship.

Consensus: The senate has approved the proposal. GS SAB has suggested that we can propose this agenda to new professors who would be coming into institute and also suggested that we can propose this agenda in SAC meeting.

Action: Senate asked the proposer to communicate with other IITs regarding the flow of money for this fellowship.

# 8. Agenda: 10 percent reservation in the guesthouse bookings for parents throughout the year.

Proposer: Ponakala Hanuma Sai Krishna, UG Senator

Description: There are total 225 rooms, combining both the old and new guesthouse rooms. Out of these 20 to 25 rooms are given to faculty. Parents usually try for guesthouse rooms just two weeks or one week before their arrival to campus, which is indeed not helping them to get a room for themselves in guesthouse as many other events would be happening and guesthouse rooms are booked very early and in bulk for these events. So, there is a need of 10 to 15 rooms reserved for parents in guesthouse throughout the year.

Consensus: The senate has approved the proposal.

Action: The senate asked the proposer to bring reports from establishment section on where these 10-15 rooms will be reserved and also asked to research on days during which the guesthouse rooms are unavailable.

The meeting was concluded by the Chairman wishing all the best to the senate members for their assigned tasks and agendas for the upcoming month.
