Experiences (Credentials if any):

- 1) My past experience with the sports board:
 - 1) as the institute cricket secretary at the admin side-
 - a. Organised a farewell match between the final year cricket club members and the rest of the club
 - b. Introducing clubs fees for the first time for the cricket club. Extending them not only to the active club members but also to the alumni of the club.
 - c. Hard to work to get the ground ready for which a lot of proposals had to be made to the higher authorities through proper channel.
 - d. There were very few balls available at the start of the year due to which I had to make a special proposal for 50 balls and 5 bats. Had to provide huge justifications for the requirements as the institute demands for a proper explanation. My paper work has always up to the mark.
 - e. Decent amount of experience at the finalization of the budget (as the cricket club was the most expensive of all due to its nature of sport).
 - 2) As the institute cricket secretary for the team's development-
 - a. Had to build my team from scratch as I had the services of only 4 former inter iit players back in my squad. Had to organise selections for the first years in which I got a decent response from 100 people.
 - b. Separate selections for the PG students to enhance their participation at the institute level.
 - c. Played ample number of practice matches (probably the most by any sports club) during the course of the semester.
 - d. Finalizing the team without any politics purely based on the performances in the practice matches and their attendance during the regular sessions (had to follow rules and regulations put up by the sports board).
 - e. An overall satisfactory performance at the 50th inter iit sports meet (losing a match with IIT KGP in the quarters with just one wicket who eventually turned out to be the champions).
 - 3) A league consisting of 4 teams will be taking place in the month of March. The necessary planning and scheduling has been done.
- 2) Captain IIT Guwahati at the 50th inter iit sports meet.
- 3) IITG Cricket Team member in the 49th and 50th inter iit sports meets.
- 4) Represented and captained many clubs and school team which participated in many Tournaments held in Hyderabad and Bangalore.
- 5) Was selected for the Under-14 Hyderabad state probable team.
- 6) Champions of Spirit – Cricket 2012.
- 7) Champions of “A Final day hope” charity cricket tournament in 2014.
