

Agenda:

- 1) I will co-ordinate with the Vice President, Students Gymkhana Council and HMC's of all hostels and will make sure that all basic problems of the campus will be taken care of.
- 2) I will give my best to analyze as many problems as possible and will come with a best solution for each one of them.
- 3) I will work with technical board to take an initiative which promotes innovation, research and Entrepreneurship.
- 4) I will put forward a proposal for establishing IITG Wi-Fi facility in all the hostels.
- 5) I will work for improving the medical facilities in our campus and to establish a blood bank to solve the problem like urgent blood requests.
- 6) I will work with welfare board and make sure that effective working of counselling cell and mentorship program.
- 7) I will ensure regular feedback from all the respective hostel HMC's will be taken.
